

Bolo and Claus travel across the universe in search of the great green dragon. The dragon is the guardian of a treasure. A treasure trove of sweets, chocolates, ice cream, lollipops and cookies and loves to share with friends. This dragon is very shy and so it is very hard to find. Some people say that lives inside of an egg. To find travel to the planet earth, we cross oceans and continents to reach a mysterious island where living creatures like goblins, monsters, fairies and a witch when the dragon hatching decides not ask do some tests ...
